

Official Work Excuse Letter

Trivia Preparation Leave

To Whom It May Concern,

Please excuse the bearer of this letter from normal workplace responsibilities as needed to properly prepare for Trivia Night.

Preparation for Trivia Night may include, but is not limited to: studying wildly unnecessary facts, refreshing pop culture knowledge, arguing with confidence about answers that may or may not be correct, assembling the smartest available teammates, and arriving fully ready for a doggone good time.

Failure to allow adequate preparation time may result in reduced recall, poor buzzer confidence, preventable second-guessing, and avoidable embarrassment in front of friends, coworkers, or complete strangers.

We appreciate your understanding and support of this very serious community entertainment obligation.

Sincerely,
Four Dogs Entertainment
